Peter V. Montine is an associate in the Seattle, Washington, office of Jackson Lewis P.C. His practice focuses on representing employers in workplace law matters, including litigation and counseling.

Peter started his law practice in a boutique employment law firm representing employees and employers. This unique perspective allowed Peter to better understand employment law issues from both perspectives and use that understanding to his clients' advantage. After several years, Peter moved onto a larger firm setting where he practiced general civil litigation, including representing and advising employers. Realizing that employment law was his true calling, Peter jumped at the chance to join Jackson Lewis and continue to develop his expertise in that field.
