Eric is actively involved in the long-term health care industry in New York, representing more than 50 for-profit and not-for-profit nursing and rehabilitation facilities. He has successfully negotiated contracts with 1199 SEIU United Healthcare Workers East and other unions in the health care field covering thousands of employees. Eric also represents clients in the satellite television distribution, developmental disabilities services, home care, private equity, technology and jewelry manufacturing industries and not-for profit legal services organizations, and trucking industries.

Eric's practice areas include traditional labor law areas such as collective bargaining, labor arbitration, union organizing advice, and representation and unfair labor practice proceedings before the National Labor Relations Board. He has successfully represented clients in employment discrimination matters before federal and state courts and administrative agencies. He also provides advice and counsel to clients regarding personnel decisions, the administration of employer policies and procedures, the development of employee handbooks, employment applications, wage and hour issues, disability management, discrimination, and related matters.
