Minnesota Governor Tim Walz has unveiled his plan to begin reopening restaurants and bars, personal services businesses (*e.g.*, salons, tattoo parlors, and barbershops), and further recreation activities on June 1, 2020, following the expiration of [Executive Order 20-56](#).

Under Governor Walz's plan, the following businesses may open if they follow the certain requirements:

Restaurants and Bars

- Open for outdoor dining or curbside pickup/delivery only
- Ensure at least six feet of distance between tables, employees, and traffic patterns
- Maximum on-premises capacity limited to 50 persons
- Table service limited to four persons, or six persons if part of one family unit
- Require reservations; do not allow walk-in customers
- Require masks or face shields worn by workers and strongly recommend masks for all customers
- Develop and implement a COVID-19 Preparedness Plan
- Establish regular disinfection routine and train workers

Personal Care Services/Salons

- Limit the number of clients inside the business at any time to ensure six feet of distance between persons, except when providing service
- Maximum occupant capacity limited to no more than 25 percent
- See clients by appointment only; do not allow walk-ins
- Require workers to wear mask or face shield, and clients to wear masks, at all times
- Do not provide services that cannot be performed with masks
- Develop and implement a COVID-19 Preparedness Plan
- Establish regular disinfection routine and train workers

Developed campgrounds and charter boats also may begin reopening in accordance with state guidance regarding social distancing, sanitation, and safety for visitors and staff.
